PAL Airlines/Innu Mikun Airlines donate to local charities on behalf of its clients

St. John’s, NL – Each year before the holidays, on behalf of its many clients, PAL Airlines and Innu Mikun Airlines join in the spirit of giving by generously giving back to the communities they serve. They will donate \$25,000.00 to local charities that will directly benefit from the contribution and will support the betterment of the respective communities. Along with its clients, PAL Airlines believes the gift of “giving back” proves to be a much better investment than a corporate gift. Five deserving charities will be selected with each receiving a \$5000.00 donation to support programs and development.

“We are extremely happy to support wonderful organizations each and every year,” said Janine Browne, Director of Sales at PAL Airlines. “We take great pride in supporting the community, and this initiative is a prime example of how we can make a direct contribution to the communities we live and work in. We would like to thank our clients, customers and employees for their support with this initiative, and we would also like to thank these charities for the great work they do,” said Browne.

For its fifth year of this initiative, PAL Airlines and Innu Mikun Airlines are proud to announce they will be donating \$5,000.00 to each of the following charities:

Bryony House	Halifax, Nova Scotia
La Maison d’Accueil Richelieu	Sept-Iles, Quebec
