

Provincial Airlines/Innu Mikun Airlines donate to local charities on behalf of its clients

In the spirit of the giving during the recent holiday season, on behalf of its many clients Provincial Airlines and Innu Mikun Airlines have donated \$25,000.00 to local charities in the communities they serve. Rather than give corporate gifts to their clients, for the past three years, both Provincial Airlines and Innu Mikun Airlines have donated money to deserving charities that significantly benefit from the donations. Five charities are selected with each receiving a \$5000.00 donation.

“We are so thrilled to be able to give back to communities in this way,” said Connie Fillier, Director of Sales. “Provincial Airlines and Innu Mikun Airlines take great pride in having a significant community presence in our markets and being very active community partners – this is an extension of that. Of course, having the support and encouragement of our loyal customers in this endeavour makes this so special for everyone involved,” added Fillier.

For 2014, the following charities will be receiving \$5000.00. Cheque presentations will be made on the following days and we invite media to attend:
