

CARGO SOLUTIONS

GENERAL

- Reliable and cost effective
- Suitable for non-urgent and non-perishable cargo
- 3-5 business days for shipment to be received from airport to airport

EXPRESS

- Designed for time sensitive shipments
- Express takes precedent over General
- 1-2 days for shipment to be received from airport to airport

PRIORITY

- Designed for urgent/time critical shipments
- Next available flight
- Priority takes precedent over Express; cargo must be accepted at PAL Airlines Cargo office/counter (Check with station for drop off time)
- Guaranteed to move from airport to airport on the next available flight

ENVELOPE

- Available for envelopes 5 lbs or less; allow one (1) business day from airport to airport.

PAL Airlines accepts cargo from our offices/counters in:

- St. John's
- Deer Lake
- St. Anthony
- Gander
- Churchill Falls
- Blanc-Sablon
- Goose Bay
- Wabush
- Montreal
- Sept-Îles
- and a selection of Northern Labrador Communities

Pick-up/drop-off services available in Goose Bay, Wabush and St. John's for a nominal fee.

PAL Airlines uses the greater of the actual or dimensional weight to determine the packages billable weight. (Dimensional weight is calculated by multiplying the length, width, and height; all measurements are in inches.

Valuation charge is \$4.00 per \$100.00 of declared value.

A dangerous goods package will be charged an additional \$45.00.
