

PAL SKED flight questions

****Transport Canada advises that falsifying your answers may result in a fine upwards of \$5,000****

1. Can you please provide your proof of vaccination?
2. Do you have a fever or a cough?
3. Do you have any difficulty breathing?
4. Have you been refused boarding in the past 10 days due to a medical reason related to COVID-19?
5. Are you currently under mandatory quarantine, as a result of recent travel or by orders from the provincial, territorial or local public health authorities?
6. Are you aware that a face mask must be worn at all times during the boarding process, during the flight and you must comply with the instructions of the gate agent or crew member at all times with regard to face masks?
7. Is your travel compliant with all relevant travel restrictions in place at your destination?

****Please Note, that you may also be subject to other COVID-19 measures taken by the federal, provincial, or territorial governments at your final destination****
